

# Is there a hole in your “Capacity Plan”?

The ability to adapt to changing transportation demands  
is a **POWERFUL COMPETITIVE ADVANTAGE.**

Securing quality commercial truck drivers is and will  
become increasingly more difficult as **CSA'S IMPACT  
BECOMES FULLY REALIZED.**

Partnering with the right driver leasing company  
will become essential in the immediate future.

If you have not considered incorporating an  
outsourced driver solution for your operation,  
or if you are not completely satisfied with  
your current driver supplier, take a look at what  
**TQM LOGISTICS SOLUTIONS** can do for  
your transportation challenges.
