

WHO ARE YOU HANDING YOUR KEYS TO?

Does your driver leasing company measure up?

- Guarantee Driver Qualification File meets DOT requirements and is available within 24 hours of your request.
- Insurance Certificate issued to every customer evidencing workers compensation and general liability coverage.
- Actively participate in your operation by knowing your driver requirements and providing drivers that meet those needs.
- Is knowledgeable on DOT, CSA, and all regulations impacting your transportation operation.
- Invests in educating and elevating their drivers to benefit everyone.
- Builds a company specific webpage to deliver orientation training for Supplemental Drivers before they arrive at your location.
- Is there when you need them 24 hours per day, 365 days per year.

NOT ALL DRIVER LEASING COMPANIES ARE CREATED EQUAL
