LIVE WELL WORK WELL

Take a break. - When you reach for your snack at work, don't eat it while working. Instead, take a quick break to eat your snack uninterrupted to avoid overeating.

Meal prep your snacks. - One of the best ways to avoid impulsively purchasing unhealthy snacks from the vending machine is to pre-portion your healthy snacks at the beginning of the week and bring them with you to work

Great "on the go" low calorie snacks, string cheese, popcorn and nuts!

*"Some beautiful paths can't be discovered
without getting lost."*

SAFETY ZONE

- As the driver, you are the final safety link when the journey begins. Your ability to think clearly, choose wisely and act quickly largely determines whether you will successfully and safely complete your trip. Stay Safe, Stay Alert, and Drive Safe!
- Stay Visible - Turn on your headlights to increase YOUR visibility to others. Being visible is critical to alerting other vehicles and pedestrians of your presence.

DRIVER SPOTLIGHT

This month we are featuring our driver Hector Sanchez, from New Britain, CT. Hector has been employed with TQM since April of 2014! He is a dedicated driver with us working daily at the same account, hauling and delivering tile and stone. Hector spends a lot his free time with his family, they vacation in Miami at a rental house with a huge pool house they all enjoy. He is a huge basketball fan, very excited for LeBron James' move to LA. He has a love for money and working hard, his hard work and dedication is much appreciated! He has worked a lot the past 4 years with us to help the TQM team grow. THANK YOU HECTOR!
