SAFETY ZONE

Stay Alert! Stay Safe! June 5-7, 2018: CVSA International Road check. For 72 consecutive hours, truck and bus inspectors throughout North America will conduct roadside safety inspections. This year's focus is on hours-of-service compliance. Last year, 32% of drivers were placed out of service during a three-day International Road check. They were removed from the roadways due to violations related to hours-of-service regulations.

DRIVER SPOTLIGHT

This month we are featuring our driver Dwayne Joseph, from Niantic, CT. Dwayne has been employed with TQM since January of 2015! He is a dedicated driver with us working daily at the same account, hauling marine supplies. Dwayne spends a lot his free time with his family, taking vacation to some of their favorite locations including California and the Bahamas. Right now, he is following playoff basketball rooting for the Cavs but knows Golden State will win. He has a motorcycle and rides with his friends going to different bike events when they pop up. We would like to thank Dwayne for all the hard work, effort and dedication he has put into the TQM team. THANK YOU DWAYNE!
