COMPANY NEWS

VACATION TIME! Don't forget to speak with the dispatch team when requesting off. Please note, all requests must be made 2 weeks prior. With Spring here and Summer around the corner we need to make sure we are covered in all aspects during the busy season!

Welcome Aboard! We recently hired Steve Dillon as Operations Manager. Steve will be working to get drivers scheduled daily on runs that need coverage and to ensure the operation runs smoothly with no bumps in the road!

“Go confidently in the direction of your dreams. Live the life you have imagined.”

SAFETY ZONE

Stay Alert! Driver error is responsible for over 75% of all tank truck rollovers, according to a Federal Motor Carrier Safety Administration (FMCSA) study. Rollovers can happen to anyone at any time, so you can never be too comfortable behind the wheel. Here are a few tips: Get plenty of sleep, stop and take a break when you're tired, don't text & drive, adjust your speed and beware of road conditions.

MEET THE TEAM

Brett Maeder - TQM would like to introduce Brett, the Senior Operations Manager here at TQM! He works to ensure our customers are serviced correctly in the needs they have & to keep all our drivers working! He also has recently taken on the role of recruiting drivers from all markets!

EMPLOYEE CONTEST

The correct answer to April's question, name the traditional maneuver that you use to turn a tractor trailer around a corner?... A Buttonhook!

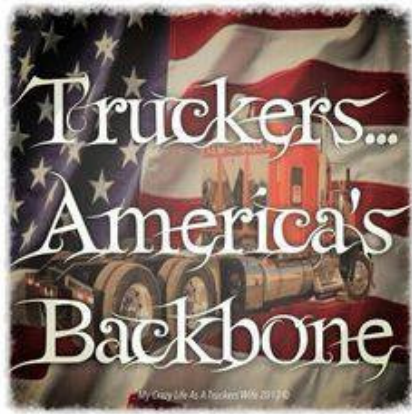

Q: In what gear should you start a tractor-trailer with a standard transmission and conventional tires if you are on glare ice? Email back the correct answer for a chance to win a gift card!

We appreciate you!

We appreciate you!

DRIVER SPOTLIGHT

This month we are featuring our driver Drew Mazurek, from Toms River, NJ. Drew has been employed with TQM since April of 2016! Just reaching 2 years with us this week! He is a dedicated driver with us working daily at the same account, hauling bread up to CT. Drew just got back from vacationing in Colombia located in South America. He loves it there and plans on retiring there. He says, “if I could go back tomorrow I would!” Drew also spends his free time surf fishing, golfing and riding bikes with his wife. We would like to thank Drew for all his hard work, efforts and dedication he has put into the TQM team. THANK YOU DREW!
