LIVE WELL WORK WELL

Eating a well-balanced diet is a key component in living a long, healthy life. Many Americans think that eating healthy means they have to empty their wallets, which isn't necessarily the truth. Keep the following money-saving tips in mind next time you are grocery shopping.

- Make a weekly meal plan.
- Create a list—and stick to it.
- Plan where you're going to shop.
- Shop seasonally.
- Cook at home as often as possible.

“Without music, life would be a mistake.”

SAFETY ZONE

Did You Know? When you are not wearing a safety belt, your chances of being killed are almost 25 times higher if you are thrown from a vehicle in a crash. Safety belts can keep you from being thrown through the windshield, from being dragged and scraped along the ground, or from being crushed by your own truck or another vehicle. Stay Safe, Stay Alert and Buckle Up!

MEET THE TEAM

Stephen Hoy - TQM would like to introduce Steve, our Regional Vice President! He works to add new clients and expand our HUGE presence in New England, as well as in the Southern states. Steve also is very hands on with TQM drivers, assisting with the employment process from interviewing to hiring to managing, which helps us GROW! We appreciate all he does for the TQM family!

EMPLOYEE CONTEST

The correct answer to September's question, what does "gross weight" stand for?... maximum operating weight! This month's question below.....

Q: What is a "Jake Brake"? Email back the correct answer for a chance to win a gift card!

We appreciate you!

EMPLOYEE CENTER

In September we celebrated truck driver appreciation week, to honor professional truck drivers, we want to extend a huge "THANK YOU" to the men and women who literally move our world as professional truck drivers.

The leaves are changing colors, but TQM's commitment to great customer service and a happy workplace never changes!

Remember – Timesheets are due by 9 am Monday morning to ensure all hours are accounted for and sent for payroll.

DRIVER SPOTLIGHT

This month we are featuring our driver Carl Coffey from Corbin City, NJ. Carl has been employed with TQM since May of 2017! He is a dedicated driver with us working daily driving flatbed almost all the time. Carl spends his free time going to the racetrack to watch modified dirt cars race. He is a NY Giants fan and has been for years and does not plan on changing! Carl has a son that lives out in Western PA, they get together twice a year just to stay in touch and catch up. He has a cat whom he adores; her name is Amber. He has worked a lot the past year with us, being flexible and reliable, which helps the TQM team grow. THANK YOU CARL!
