## **SAFETY ZONE**

### **Roadcheck is over!**

Summer freight is on its way, just as spring has finally sprung and it's not all about Roadcheck.

The annual Roadcheck inspection kicked off the month of June by tightening capacity for much of the first week. The rates that rose during that week dropped back down again after the inspections ended, but van load volumes and rates continue to climb in the Southeast and along the West Coast.

The result is a big increase compared to the average rates for May. Expect rates to go up some more, at least until the 4th of July holiday.

### **DOT Medical Exam Certification – IMPORTANT!!!**

PLEASE be sure to allow enough time before your medical card expires to complete the exam and then CERTIFY with your licensing state. If your Med Card expires and the new one has not been certified your CDL will be immediately downgraded! This means that you are then driving on an invalid CDL and are subject to serious penalties, including vehicle impound. Call us if you have ANY questions.

## **DRIVER SPOTLIGHT**

This month we are featuring our driver William Dempster from Southampton NJ. Bill has been employed with TQM since February of 2019 and is a dedicated driver with us. During his free time, he likes to spend time with his family at home on the farm. Their family farm includes 23 animals! He and his wife have a beautiful 2-year-old baby boy, Liam who they adore very much. Bill changed direction in his career and moved into trucking about 3 years ago and says it was the best decision he ever made. Bill is a huge advocate for TQM, he appreciates the flexibility and dedication we give him on a personal level. Bill has worked a lot with us, being flexible and reliable which helps the TQM team grow. THANK YOU BILL!
