HAPPY BIRTHDAY TO YOU!

EMPLOYEE CENTER

VACATION TIME! Do not forget to speak with the dispatch team when requesting off. Please note, all requests must be made 2 weeks prior.

WE APPRECIATE YOU!!!

As states throughout the US begin to open and lift restrictions, a reminder is due on how helpful everyone has been. A HUGE thank you is due to everyone who has continued to push through COVID-19. Truckers have demonstrated a selfless willingness to sacrifice on behalf of Americans during this tough time. Just remember, when the stores have empty shelves that truck in the right lane doing 65 in a 70 is bringing more food, toilet paper, soap, and hand sanitizer. Again, thanks to all the drivers for keeping the supply chain moving! Stay Safe, Stay Alert!

WE ARE HIRING!

Remember – We offer a driver REFERRAL BONUS, tell your friends about us and get them working with a great team! Quick tips to give them below...

- PAID WEEKLY
- Various Start Times
- Dock and Lift-gate Deliveries
- Overtime Available! Local Work!

Please have any referred drivers apply at our website www.tqmlogistics.com. Once we have received an application from them, a Career Coach will be in contact.

“Intelligence is the ability to adapt to change.”

SAFETY ZONE

DOT Medical Exam Certification – IMPORTANT!!!

Again, as states throughout the US begin to open and lift restrictions, PLEASE be sure to allow enough time before your medical card expires to complete the exam and then CERTIFY with your licensing state. If your Med Card expires and the new one has not been certified your CDL will be immediately downgraded! This means that you are then driving on an invalid CDL and are subject to serious penalties, including vehicle impound. Call us if you have ANY questions.

Technology

DAT One, available for free at the Apple app store and the Google Play Store, is a free app created to help truck drivers find, book, and deliver loads and makes trip planning simpler.

Key features include:

- Truck parking
- Detailed truck maps
- Favorite truck stops
- Fuel prices
- Weigh stations
- Rest areas
- Hotels for truckers
- Truck services

Summertime SAFETY!

Heat Exhaustion as we move into July is very common. Stay hydrated and if you are thirsty, you are not hydrated. Know the signs!

- Very Sweaty
- Feeling weak, tired, giddy, and/or nauseous
- Elevated body temperature
