### **Make-A-Wish Mother's Day Truck Convoy will hit the road in May!**

The Make-A-Wish Philadelphia, Delaware and Susquehanna Valley Mother's Day Truck Convoy will continue to be a Mother's Day Tradition on May 9. Make-A-Wish is counting on the local community, especially truck drivers, to make the event a success. The funds raised at the Convoy typically support over 75% of the wishes granted in the Susquehanna Valley each year. There are nearly 500 local children with critical illnesses waiting for their wishes to come true. This year's 100 truck convoy will include the top 30 drivers and grand drivers, key sponsors, and drivers that commit to fundraising \$500 or more.

### **House Reps introduce bill to address truck parking shortage**

The lack of safe parking has been an issue for truck drivers for years, interfering with their ability to take necessary rest periods to avoid fatigue and practice safety habits. House Representatives have introduced the Truck Parking Safety Improvement Act with the goal to establish a set-aside source of funds from existing U.S. Department of Transportation (DOT) funding to create safe parking spots.

## **SAFETY ZONE**

### **SAFETY BONUS!**

A big CONGRATULATIONS to all the drivers who received a Q1 safety bonus for 2021! Keep up the excellent work! We appreciate you! Q2 is in progress as we speak, will you be on the next list?! Stay Safe, Stay Alert!

As various states and localities begin to “open up” their economies after the prolonged COVID-19 shutdown, be aware that changing social environment will continue to evolve to reflect the new norm. As a professional driver, you need to make sure that you focus on defensive driving strategies and tactics that will keep us safe and healthy. Keep in mind that defensive driving begins before you even get behind the wheel by getting enough sleep and arriving for your shift well-rested, alert and focused. Be prepared with hand-sanitizer and/or wipes and wash your hands frequently and thoroughly. Always continue to practice social distance.

**Stay Alert! Stay Safe! May 4-6, 2021:** CVSA International Road check. For 72 consecutive hours, truck and bus inspectors throughout North America will conduct roadside safety inspections. International Roadcheck is the largest targeted enforcement program on commercial motor vehicles in the world, with nearly 15 trucks or buses inspected, on average, every minute. Drivers should keep a checklist of what they’ll need while on the road and stay on top of expiration dates!

### **Required documentation and devices include:**

- Roadside view ready ELD
- Commercial driver’s license
- Medical certificate (including waivers)
- Proof of periodic inspection documentation
- All load-related paperwork including bill of lading, emergency response information (for hazmat shipments)
