Dustin Boročaner, Dustin is the Operations Assistant here at TQM! He works to ensure our customers are serviced correctly in the needs they have & to keep all our drivers working! He also takes orders from our customers and schedules the appropriate driver for their needs.

"Happiness is a direction, not a place."

TRUCKER CHAT

Open Enrollment for Healthcare! January 1st a New Year means that we are in the open enrollment period for healthcare. If you have any changes to make to your healthcare plan, now is the time! That includes adding dependents, changing policies, adding additional benefits, etc. Please contact the office at 800-458-5114 if you have any questions and or changes you are looking to make.

WE APPRECIATE YOU!!!

As COVID-19 continues to keep us on our toes we wanted to send a HUGE thank you to everyone who has continued to push through COVID-19. Just remember, when the stores have empty shelves that truck in the right lane doing 65 in a 70 is bringing more food, toilet paper, soap, and hand sanitizer. Again, thanks to all the drivers for keeping the supply chain moving!

SAFETY BONUS!

A big CONGRATULATIONS to all the drivers who received a Q3 safety bonus for 2020! Keep up the excellent work! We appreciate you! Q4 is in progress as we speak, will you be on the next list?! December is here and we are in the final stretch! Stay Safe, Stay Alert!

LIVE WELL WORK WELL

Don't Let Cooler Temperatures Derail Your Workout Plan. If you find it harder to keep up with your workout program as the temperatures drop, you are not alone. Every year, many Americans find it increasingly difficult to remain committed to their plan as the holidays, shorter days and less-than-ideal weather create obstacles.

- Acclimate to colder weather by warming up inside
- Prep for your next day the night before
- Have a backup plan
