TRUCKER CHAT

Travel Safely this Holiday Season! Always be the defensive driver and watch for the safety of others on the roads and highways. Never let your "Safety First" guard down. It is our wish that you enjoy the holidays, get refreshed and above all, travel safely! Drive safe and stay alert!

TravelCenters of America made an announcement that military members and veterans will eat for free at truck stop locations across the country on Veterans Day! Friday November 11, 2022 all active-duty military, veterans and reservists will be eligible for a free meal! One must show proof of service.

Fall Season is HERE! Here are a few autumn safety tips for preparing your truck(s) in advance of the cold weather:

- Leaves on the Road - Especially after it rains, they can stick to the pavement and cause slippery conditions. The leaves may not be the only thing on the road, either – they can hide other more dangerous debris as well. If you see leaf patches on the road, slow down and avoid sudden braking or swerving.
- Harvest Time - It can be a pain to be stuck behind a slow-moving tractor while waiting for a chance to pass, but risking an accident is not worth it. Tractors in particular move extremely slowly – other drivers should be aware of their presence and only pass when no other traffic is present.

In September we celebrated truck driver appreciation week, to honor professional truck drivers, we want to extend a huge "THANK YOU" to the men and women who literally move our world as professional truck drivers.

This week is a way to show appreciation to the 3.6 million professional men and women who not only deliver goods safely, securely, and on time, but also keep our highways safe.
