Relationships with Customers!

As a driver, you are the face of the company. Your behavior on customers' sites either leaves a good impression or can ruin a business relationship. Here are some things you can do to help us leave a good impression:

- On time delivery and pick up
- Accurate bill of lading
- Courtesy and Cleanliness

"Focus on the positive...."

WE ARE HIRING!

Remember – We offer a driver REFERRAL BONUS, tell your friends about us and get them working with a great team! Quick tips to give them below...

- PAID WEEKLY
- Various Start Times
- Dock and Lift-gate Deliveries
- Overtime Available! Local Work!

Please have any referred drivers apply at our website www.tqmlogistics.com.

Once we have received an application from them, a Career Coach will be in contact.

SAFETY ZONE

BACK TO SCHOOL! With back-to-school month being here and approaching quickly please remember restrictions and regulations while driving through school zones. Reduce your speed when traveling through school zones. Depending on the type of roadway the school zone is in, this speed limit could be as low as 10 or 15 mph. Regardless, the speed limit in school zones will be significantly lower than what is posted on other areas of the same roadway.

Be aware of the likelihood of inexperienced and reckless drivers in and near schools. Youthful drivers may make mistakes in judgment so be sure you are looking out for yourself by looking out for the mistakes of other drivers. Drive defensively.

Slow down while approaching children that are awaiting school buses. Always stop for buses and wait patiently until all the children have crossed the street safely. Pay attention to bus signals and wait until the bus has begun moving before you proceed.

ANOUNCEMENT! CVSA has announced Aug. 20-26 as the dates for this year's Brake Safety Week! - During Brake Safety Week, commercial motor vehicle inspectors highlight the importance of brake systems by conducting inspections of their components and removing commercial motor vehicles found to have brake-related out-of-service violations from our roadways until those violations are corrected.

"The focus of this year's Brake Safety Week is on the condition of the brake lining and pad," said CVSA President Maj. Chris Nordloh with the Texas Department of Public Safety. "Brake lining and pad issues may result in vehicle violations and could affect a motor carrier's safety rating."
